

THANK YOU FOR  YOUR SUPPORT!

National Philanthropy Day[®]

Celebrating National Philanthropy Day on November 15

As National Philanthropy Day approaches, CCPL would like to thank our largest supporters – our community and YOU!

In the past year, you've volunteered nearly 9,000 hours at our ten libraries. You've donated thousands of items, which translated into 5,000 items being added to the collection and more than \$75,000 raised through book sales.

You are enthusiastic and responsive to library surveys. Your survey response rates let us know how much you value your library! Survey feedback is invaluable to our staff as we research opportunities for improving library services.

We acknowledge the many Chesterfield businesses that have supported CCPL. We greatly value our business partners in the community, who help us bring quality programming to the public.

Finally, we would not be a reliable community resource without the substantial commitments and contributions made by our Friends of the Chesterfield County Public Library! Our Friends groups provide continual support towards high quality programming, collection enhancements and professional staff development.

Efforts like these are part of what makes Chesterfield a First Choice community. Thank you for inspiring us.

Help ensure that CCPL remains an anchor of learning and resources in Chesterfield! Take the next step – contact us at chooseCCPL@chesterfield.gov.
